Who Are We?

Established since 2008, we are a family owned, independent publisher who publish a tabloid sized, full colour monthly publication that can be picked up by the general public for free. Small, local businesses are able to advertise their businesses repeatedly at affordable prices.

Being the only free monthly newspaper we are the backbone of our community and publish interesting stories and exciting features all year round which are written by local people, providing unrivalled local audience reach for advertisers to target local consumers.

Where Do We Distribute?

The Advertiser has four editions; **Coventry Advertiser**, **Warwickshire Advertiser**, **Leicester Advertiser** and **Hinckley and Nuneaton Advertiser**.

Our newspapers are free to pick up in selected supermarkets such as **ASDA**, **Tesco**, **Morrisons** and **Sainsburys** as well as selected local supermarkets. The Advertiser is also available at most petrol stations, fish and chip shops, cafes and other outlets. Please contact us and we'll let you know your closest pick up. Managed by our Distribution Manager there is a small army who deliver our papers, having been in the distribution business for 15 years there is not a lot we don't know to ensure our papers are delivered in a timely and organised fashion. As each copy is taken by 'conscious choice' into a proven network of branded high footfall locations, copies are actively managed to minimise any returns if any.
